

## *Our Mother of Consolation Parish - Liturgical Ministry Sign Up*

**The Ministry of Usher:** The Ushers are chiefly responsible for the details of hospitality. Working together, the Ushers coordinate the collection, choose people to present the gifts, assure the smooth flow of the assembly during communion and provide a warm welcome face to the parishioners and visitors at OMC.

**The Ministry of Lector:** The primary responsibility of the lector is to prepare and proclaim the Word of God through the reading of the Sacred Scriptures at Mass. The parish provides a yearly lector workbook for your ministry.

**The Ministry of Altar Servers:** Altar servers assist the priest in the celebration of the Mass. Traditionally, Altar servers have been younger members of the community. Perhaps adults would consider serving at the 7:30 AM Mass on Sunday, or as substitutes at other Masses when traditional servers are not present.

**Extraordinary Minister of Holy Communion (Eucharistic Minister):** The Extraordinary Ministers of Holy Communion serve the assembly through the distribution of the Blessed Sacrament during the Mass.
