Dear Parents and Guardians:

Thank you for your interest in Our Mother of Consolation School. We are a school that has, for one hundred and forty-nine years, been dedicated to the successful education of children with a special emphasis on Catholic Christian principles.

In an effort to clarify the process of parents finding out about and enrolling their child (ren) in our school, we have established a four-step process:

Step 1 – You may stop in or call our office at 215-247-1060 to request an information packet and/or schedule a visit to one of our Observation Days.

Step 2 – Complete and return to school the attached questionnaire. Subsequently, you will be called to set up a family visit. (*Children you may wish to enroll are required to be present at this meeting.*)

Step 3 – At our meeting I will have the opportunity to describe our school in detail. You will have the opportunity to ask questions. Together we will share ideas on educating your child. If your child has attended other schools, please provide copies of your student's latest report card and standardized tests at this meeting (these are not required if entering K or 1st). We cannot finalize acceptance to our school without all relevant records. At the conclusion of this meeting you will be given a copy of our Handbook of School Policies which we request you read over carefully.

Step 4 – While school is in session, you will need to schedule a time for your child to spend a day in classes with us. Subsequent to this and the return of the signed Handbook form indicating your support of school policies as described therein, you will receive a letter regarding your child's school admission.

Once your child has been accepted to our school, all required registration papers will be sent to you. Upon the return of all requested forms to the school office along with the \$150 registration fee, your child's place in school will be secured.

Again, I sincerely thank you for your interest in Our Mother of Consolation Parish School. I look forward to telling you more about our dedicated and experienced faculty, our programs of study, and our interest in helping children develop an ability to make good life decisions with God in mind.

If you have any further questions, please don't hesitate to contact us.

Sincerely,

Bruce Hagy
Principal
