

# October Respect Life Month

**Baby Bottle Campaign: Beginning weekend of October 6 and 7:** For 25 years, Mothers' Home has been a beacon of hope for homeless pregnant women. To provide housing for the homeless is itself a noble deed and a corporal work of mercy. We go beyond providing a safe place for our women to prepare for their birth of their babies. We provide training in pre-natal and post-natal care. We offer courses in relationship, nutrition, budgeting, and computers to prepare them for life after they leave Mothers' Home. We also help them find housing and counsel them to meet their individual needs and goals. Most of our mothers return to our home after they give birth for about a three-month period to enable our mothers to bond with their child and find permanent housing.

We have been able to continue our mission for over twenty years because of the generosity of people like you, and, I believe, the Holy Spirit. We have no endowment and must raise funds each year to meet our expenses. One of most significant sources of income is our Baby Bottle Program. I would like to ask you to take a bottle home with you and just put some spare change in the bottle. Please return the bottle with change on the **weekend of October 27 and 28**. It may not seem like much to do but I can assure you that it will help us continue to serve these women when they are most vulnerable. Last year, Our Mother of Consolation again donated approximately **\$4,000**. We are most grateful for your support and the support of George Hohenleitner who coordinates the appeal at OMC!

Women deserve better than abortion but we, as Christians, need to provide an alternative. We need to work to enable women to be life-giving. Mothers' Home helps women to help themselves and helps them to care for their babies. **When you exit Church on October 6 and 7 and on the following two weekends in October (Respect Life Month), please take a bottle and help us help these women.**
