February 5 – February Pack Meeting

February 12 – Tiger Den Meeting: Games Tigers Play

February 19 – Tiger Den Meeting: Games Tigers Play

February 29 – Tiger Den Outing: Games Tigers Play

GAMES TIGERS PLAY

This month the Tigers will work on the Games Tigers Play adventure. This adventure will focus on team building, problem solving, and of course, playing games! In some games, one person or one team wins. Team-building games help everyone leave a winner.

There are some “homework” assignments to go along with this adventure. Please remember to email me once your child has completed these requirements so they can receive credit. They include creating and sharing a new game and bringing a nutritious snack to share with the den. See Tiger Bites take-home projects for some ideas on what to bring in. Just a reminder that OMC is a nut-free school so please do not bring anything containing nuts or peanuts (which is a legume for all you smarty-pants).

Our outing this month will be to a men’s basketball game to watch the La Salle Explorers take on the St. Bonaventure Bonnies at Tom Gola Arena on La Salle’s campus. Fun fact: St. Bonaventure is the patron saint of bowel disorders. Think of that the next time you’re on the can! The Tigers and any siblings in 6th grade or lower get in free. Parents and everyone else cost \$10 each. Please let me know how many tickets your family will need by our first den meeting on February 12 and I will collect payments at the next den meeting on February 19th. Venmo and PayPal are also acceptable.

ACCOMPLISHMENTS

January was jam packed full with good eating. The pack started the year by serving some piping hot and delicious pancakes and sausages at Applebee’s. The Tigers learned all about this yearly pack tradition and had a blast taking orders, serving drinks, and serving up a warm yummy breakfast for their friends, teachers, and parents.

The Tigers learned the sometimes tricky difference between a fruit and a vegetable and had some samples of each. They practiced good table manners and exhibited knowledge of not-so-good table manners. The Tigers went on a scavenger hunt for some yummy eats at Whole Foods and gave their opinions on what they thought were some nutritious foods and not-so-nutritious foods.

Whole Foods Outing

Mmmm... DIY peanut butter!

Finally, the Tigers learned a valuable lesson in composting, recycling, and waste disposal. Tops off those glass bottles, everyone! For all their efforts, the Tigers will be awarded the Tiger Bites adventure loop at our next pack meeting.

FRIENDLY REMINDERS

Our Tigers are getting older and the days are getting longer. With those two things in mind, and to remain consistent with the rest of the pack, the new default den meeting times will be moved to 7:00-8:00 PM on Wednesdays. These times are subject to change as necessary and do not reflect meeting times for outings or special events.

Speaking of changes, Pack 1855 is moving towards a more committee based model to run our pack this Spring. We need your help to continue running the program for our kids. We are asking families for a minimum commitment to help coordinate one of the various events we have throughout the year. No special training necessary. Please use the following link to make your commitment today.
