## TEAM TIGER

This month the Tigers will work on the Team Tiger adventure. The children will learn about the power of teamwork. They will share what teams they are a part of as well as learn about how different teams function and work. Each Tiger will participate and take a part in their Den 5 team as well as their family team at home. They will learn that a team is comprised of individuals who are alike in some ways but different in others. These differences make our team stronger.

Finally, the children will have the opportunity to work as a team in our community service project outing to Caring for Friends (formerly known as Aid for Friends). They will tour the facility and learn how each team member at Caring for Friends ensures that homebound individuals and the people they serve are cared for.

This outing also serves as fulfilling requirement 4 of the Tiger Circles adventure, so any scout who is working on that outing with their family will have that requirement completed as well.

## ACCOMPLISHMENTS

October and November were busy months for the Tigers. In October, we were welcomed into the pack as Den 5! Within a short few weeks, the scouts learned how to protect themselves, and earned their Bobcat badge.

In November, the scouts learned all about what to bring on a hike. They made their own trail mix, learned what each of the essential six items were used for, and participated in a hike at Ft. Washington State Park. They met the park ranger there who taught them about law enforcement and what they might see on their hike. A couple white tailed deer came by to say hello and left their prints for the scouts to cast into a mold. The scouts will be awarded the Tigers in the Wild adventure loop at the next pack meeting.

Also in November, the scouts participated in the Scouting for Food collection and gathered a record breaking over 2100 lbs of food! Way to go Scouts!

A few scouts attended the Scout Pilgrimage to St. John Neumann Shrine. They attended mass and were led on a tour of the shrine by one of the priests who resides at the parish. They saw the remains of St. John Neumann and donated non-perishable goods for the needy as their act of kindness. They will be awarded the Tiger Circles: Duty to God adventure loop at the next pack meeting.
