## FINDING YOUR WAY

A big part of Cub Scouting is going on adventures and discovering new things. Much like the ancient Greeks did thousands of years ago when they created geography.

This month we will be learning to read and use a map and compass to help you in “Finding Your Way!” Scouts will receive an introduction to maps, symbols, and the cardinal directions of north, east, south, and west (Never Eat Soggy Waffles). They will also learn the basic functions of a compass.

We will meet at Mt. Airy Playground on a bi-weekly basis on Wednesdays at 6:30 PM, weather permitting. In the event of rain or snow, I will send out an email the morning of informing you of our plan to reschedule which will usually be the following day, Thursday, or the following week, Wednesday. The exception this month will be our meeting at the end of the month which will take place on Monday instead of Wednesday due to the Thanksgiving holiday. Please remember to complete the COVID 19 Gating Questionnaire before attending any cub scout event.

Our outing this month will be to [Awbury Arboretum – Adventure Woods](#). There is parking at the Francis Cope House but Awbury would prefer if people parked on Ardleigh and make their way down the path to the Adventure Woods. However, we will meet beforehand at Francis Cope House. When you enter the path to the Adventure Woods, you will continue down the path until you see a clearing with some picnic tables outside the Cope House where we will start our outing.

Also this month, we will be doing the Scouting for Food canned and boxed food drive. I will be working with our committee chair and cub scout master, Tom and Marcos, to get those flyers to you ASAP. I am also expecting our belt loops for our Paws on the Path and Running with the Pack adventures very soon. To those who have just earned their Bobcat badge, I should be receiving those soon also.

As usual, please call/text/email me with any questions or concerns or just to give me a heads up if you aren't able to make it to a meeting so we know we aren't waiting around too long.

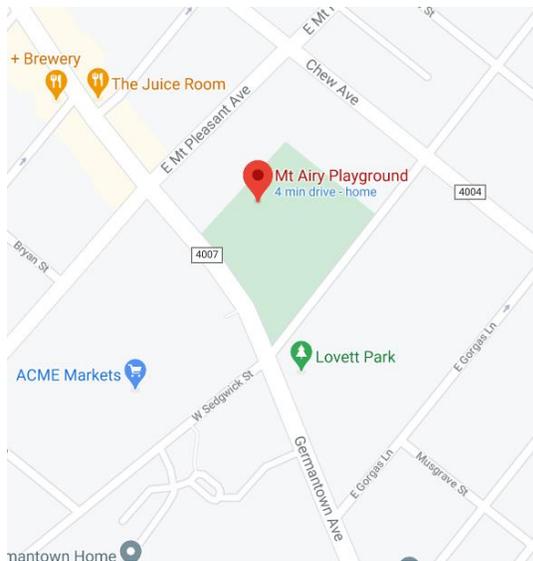

## Accomplishments

The Wolves had a strong month with many accomplishments. They earned the Paws on the Path Adventure loop and our newest scouts earned their Bobcat Badge! All of our Wolf Scouts adhered to the Scout Law as they were loyal and helpful by helping our newest Cub Scouts earn their Running with the Pack adventure. Way to go Wolves!!
