Oct 14 @ 6:30 PM – Den
Meeting - Mt. Airy
Playground

October 24 , 10:00 AM – Den
Outing to Wissahickon
Environmental Center

Oct 28 @ 6:30 PM – Den
Meeting - Mt. Airy
Playground

PAWS ON THE PATH

Ahooooo!! Don't you love fall? The cool crisp air, the crunch of leaves on your paws, and of course, the colors. There's simply no better time of year to strap on your hiking boots and hit the trails for our Paws on the Path Adventure!

This month we will be learning what to take with us during a hike, how to prepare for bad weather, and what to do if we get separated from the pack. We will identify birds, insects, and plants as we take a hike around the Wissahickon Environmental Center. And finally, we will learn how to use a map and perhaps make one of our own neighborhood.

For now, we will continue to meet at Mt. Airy Playground on Germantown Ave., for our weekday den meetings. I chose this location due to it being well lit at night but if anyone has any other suggestions, it would be fun to try out different places for future meetings. We will continue to meet at 6:30 PM to get in as much sunlight as we possibly can before we are plunged into total darkness come November. And, in the event of rain, we will meet the next day (Thursday) at the same time and place. As always, masks and social distancing will be enforced. Please be sure to complete the COVID questionnaire before attending each den/pack meeting, and please be sure to complete it for every single individual attending the meeting (parent and child if parent wishes to stay).

Our outing this month will take place at the Wissahickon Environmental Center. You may park at the center but there is more ample parking below on Northwestern Ave. near the stables and The Cedar House. We will walk around the Andorra Meadow and loop back around again to the Environmental Center where you may choose to eat a socially distant picnic lunch or head home.

As always, please feel free to call, text, or email me with any questions, comments, or concerns.

Accomplishments

This month the Wolves earned their Running with the Pack adventure loop. They stretched, they somersaulted, and crab-walked their way to fitness and fun! The Wolves demonstrated compassion, kindness, and good sportsmanship as they cheered on their den mates as they participated in relay races, disc golf, and balance beam challenges.

The Wolves also gained two new recruits to our den: Pierce Barsanti, and Brendan Gruits! Welcome to the Wolves and welcome to Pack 1855! Ahoooooo!
