RUNNING WITH THE PACK

Ahooooo!! Welcome back everyone! School has just begun and a lot of you are going to be spending a lot of time in front of the computer screen. So while the weather is still warm(ish), it's time to don the scout uniform, put away the screens, and get out and stretch your legs. Its time to go running with the pack! Our first adventure for the school year will promote physical fitness and good health through games and other fun activities.

Instead of meeting at OMC, we will be having our meetings outdoors. I've been "scouting" several areas and this month we will be meeting at Mt. Airy playground on Germantown Ave., across from the Acme. Your suggestions for future meet up sites are always welcome. We will be meeting at 6:30 PM instead of 7:00 PM in order to squeeze out as much daylight as we can. We will also be maintaining social distancing and wearing face coverings during our meetings. In the event of rain, we will meeting the next day at the same time and place.

Our outing will take place at the Adventure Woods in Awbury Arboretum. We will meet at the Francis Cope House and take the short hike to the Adventure Woods.

The pack still has plans to have a welcome meeting in October but we are still working out the details of when, where, and how that will take place. Wolves will receive their scout handbooks as well as their official Tiger badges at that time.

As always, please feel free to call, text, or email me with any questions, comments, or concerns.

Accomplishments

Wolves officially earned their Tiger Rank over the summer.
